## Summary

I am a senior CS student at Towson University. My studies focus on the software engineering path of the CS department. I am currently developing two projects, a sneaker reselling platform, and a social media platform for TU.

## Experience

### Apprentice Carpenter

Merkins Flooring

Jan 2015 - Jan 2020 (5 years 1 month)

I worked under my Father learning all roles involved in the wood flooring business. I learned how to cut, install, sand, stain, and repair wood flooring. This includes learning how to operate some machinery involved in the process, like industrial sanders.

## Education

**Towson University**

2021 - 2025

**Cecil College**

Computer Science

Aug 2019 - Jun 2021

## Skills

Calculus • Java • C++ • HTML5 • JavaScript
